

# COMFORTWATCH™

WIRELESS TANK MONITOR

Take the guesswork out of how much heating oil is left in your tank.

**ComfortWatch™**  
is a wireless heating oil tank monitor that tracks your fuel level daily so you can stay warm, avoid run outs, and stay stress free all winter.

## Heating Oil without the stress

\*The SOS Comfort Watch Monitor remains the property of SOS Xtreme Comfort and is provided at no charge to most heating oil customers enrolled in automatic delivery. Availability may vary. Not compatible with underground tanks. SOS Xtreme Comfort reserves the right to remove the Comfort Watch Monitor at any time. If you move, discontinue service, or your account is not in good standing, the monitor must be returned. If the monitor cannot be retrieved, a fee of \$495.99 will apply. Purchase options with annual fee available for COD customers.
